All Spring/Fall 2020 grades were earned during a major disruption to instruction as a result of the COVID-19 pandemic.

In the School of Social Work the H, CR, NC grading system is mandatory. These grades carry no quality points. The assignment by traditional letter grades in the School of Social Work may be arranged by consultation with the instructor at the beginning of each semester. A grade of credit includes acceptable graduate level work equivalent to a B or A. The grade of Honor, rarely given, signifies unusual or outstanding work, well above the A level.

Incomplete/Absence Rule

A student who receives an "IN" grade in an undergraduate course must complete the work by the end of the semester following the one in which the course was taken whether or not the student is in attendance. If the work is not completed, the "IN" becomes a "FIN" grade. Exception: An "IN" grade received in Fall '76, Spring '77, Summer '77 or Fall '77 ONLY will remain a permanent "IN", provided course work was not completed by the eighth week of the following semester. A permanent "IN" cannot be made up and cannot become an "F". As of Fall 1988 the "AB" grade was discontinued. Students who received this grade prior to that date were expected to take a make-up examination. If the examination was not taken, the "AB" became a "FAB".

Hunter High School Credit

Course numbers which are followed by the letter "HS" or which appear under the heading "Hunter High School", are fully credited college level courses which are taken by Hunter High School students while they are still in high school.
